SALE OF BUSINESS ASSETS

Dear Sir

As you may be aware, I was appointed administrator of IDL on 3rd April 2007.

As administrator, I have advertised the business assets of IDL for sale as a going concern.

A number of offers have been received and I have agreed in principal to accepting an offer made by Wecare Australia Pty Ltd. I have instructed my solicitors to prepare a contract of sale and anticipate that Wecare Australia Pty Limited would take possession of the business assets within the next seven days.

In the interim, the business is continuing to trade under the control of the administrator as a going concern.

Should you have any questions in relation to the sale process or transfer of business assets to Wecare Australia Pty Ltd, please contact Mr Simon Nelson or Mr Shaneel Kumar of this office

Yours faithfully

ANTHONY R. CANT
ADMINISTRATOR
